Technologies

HTML

CSS | SASS | Tailwind

JavaScript | Svelte

Nodejs | Express | MongoDB

Gulp | Git

Adobe XD | Photoshop

Developer with a passion for technology and its never-ending growth. I have always enjoyed creating and problem-solving which is why I decided to take up programming as a hobby eventually leading to a full-time job.

I hold a clean Full UK Drivers License. Willing to relocate.

Experience

Junior Web Developer
Teamspeak Systems *Feb 2020 - Present*

Responsible for participating in the full life cycle of new website development projects, working alongside senior developers and the design team.

Responsibilities
